General Services Adminstration/Federal Technology Service Arch Wireless GS-07T-05-BGD-0002 October 22, 2004 - October 21, 2006				
Section 5:	Miscellaneous Fees	1 22, 2004 - October 21, 2000		
CLIN#	Description of item	Additional Information		
	20000, p. 10000	receral law requires Arch Wireless to Thake contributions to the Universal Service Fund (USF), which was created to support telecommunications services to rural customers, schools and other entities that the Federal Communication Commission (FCC) designates. The FCC has changed the way the USF obligation is calculated by carriers Starting in April 2003, Arch Wireless will be recovering it USF obligation by charging a percentage of the recurring telecommunication services rather than a flat monthly rate. This percentage is subject to modification by the FCC, and will likely vary on a guarterly		
4401	FCC mandated Universal Service Fund (USF) Fee	basis.	FC	C set %
		Starting April 2003, Arch Wireless will be instituting a monthly Regulatory Admin Cost of \$.25 at the unit level to help defray the costs incurred by the Company to administer its USF obligations and to fulfill reporting obligations imposed on the		
4402	Regulatory Administration Cost (RAC)	Company by various government agencies.	\$	0.25
4403	Account Set Up Fee	One-Time charge for set-up of account for new cusomters.	\$	10.00
4404	Administrative Fee	This charge will appear each time that standard charges are generated for a Invoice.	\$	2.00
