Severance Remaining (Bank and Current Plan)

On or about December 6, 2001, the Bankruptcy Court entered an order (the "Order"), authorizing Debtor to pay certain prepetition severance claims of former employees. The amounts set forth below represent the remaining priority claims for severance, if any, of former employees after the payment of the amounts approved by the Bankruptcy Court. Thus, the amounts assume payment of all severance amounts authorized by the Order. As of the date of this Schedule, approximately 80% of the authorized amounts have been paid. All other authorized amounts will be paid in the ordinary course of business, consistent with the Order.
